

Dear Giulia!!!

Let me express my thanks for your dear letter and the gift. But I must say to you, you must be more careful with the correspondence, I don't wish you to have expenses on my account. It is not necessary to spend 40.-Franks just like that .

I ask you, did you get my letter from Jan. 1st 1944?. Please write me about it.

I am closing now, receive the most heartfelt regards

from Franz.
